**By Kristy Cameron : Mitchell's Gift - A parent's perspective on surviving life... with a premature baby in the NICU.** I celebrate myself and sing myself and what I assume you shall assume for every atom belonging to me as good belongs to you I loaf and invite my soul by Matt Sharpe published 8 2 2017 through Thomaston Fords Drive 4ur Community Program held earlier this year 4300 was raised for Dementia Spotlight Inc Mitchell's Gift - A parent's perspective on surviving life... with a premature baby in the NICU.:

0 of 1 review helpful A true gift By Angela S This book has been a blessing to me and I only wish I had read it sooner when my twins were still in the NICU However I am getting ready to go back to work and it helped me to reflect on how scary our month in the NICU was and how far we have all come Everyone's journey and stay in the NICU is different and this book helps to remind NICU parents that we are not alone A book written by the parent of a preemie for the parent of a preemie Mitchell's Gift walks you through the experience of having a premature baby in the neonatal intensive care unit Written from a parent's point of view the book familiarizes a person with the NICU and gives tips on how to balance life inside the hospital with life outside the hospital The account of our journey with Mitchell woven throughout the book offers insight into the experience of having a premature baby This book was Mitchell's Gift to our family we are blessed to know this beautiful little boy through his story It offers a parent's perspective that we desperately needed to help our family through the emotional roller coaster of the NICU
