Paracoccidioidomycosis meet leading dermatologists researchers skin specialist exhibitors and professors from philadelphia hawaii chicago boston uk italy spain japan china paracoccidioidomycosis clinica epidemiologia y tratamiento paracoccidioidomycosis clinical considerations epidemiology and treatment dawaher jess; colella Paracoccidioidomycosis:

Paracoccidioidomycosis continues to be a serious health problem among rural workers in many Latin American countries. This deep mycosis has many similarities to other deep mycoses that affect the developed world. Furthermore, *P. brasiliensis* is becoming an excellent tool for basic studies, e.g., dimorphism, hormone-mediated host interactions, ecology. Paracoccidioidomycosis is an important publication with 30 chapters covering every aspect of the disease from its etiology.
