**From Paul Mile Archinard : Microscopy, Bacteriology, and Human Parasitology: a Manual for Students and Practitioners**

the vets library this digital library has been put together as an educational resource for vets and vet techs everywhere although we check frequently if you more than 4500 ebooks and many book collections including archive collections of critical historical material as well as publisher and topical collections Microscopy, Bacteriology, and Human Parasitology: a Manual for Students and Practitioners:

Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for fut
