Pediatric and Neonatal Transport Medicine, 2e:

5 of 5 review helpful Great book By Mike Excellent book I am a Pediatric Intensive Care Flight RN and I recently took the C NPT test This was my primary study book Yes I passed Unfortunately this book is WAY overpriced I have seen this book priced at 400 500 This is the reason it only received 4 stars I was lucky enough to find it used on for 61 00 This price was totally worth the purchase If you find this bo The new edition of this popular text provides practical information for developing an efficient organization for transport acquaints the reader with all available modes of transportation and presents strategies for handling a wide array of neonatal and pediatric medical problems in the transport setting All these elements work toward the goal of providing transport care as an extension of the intensive care unit Follows the latest guidelines from the Transport Medic
