**By American Academy of Pediatrics, American Heart Association : Neonatal Resuscitation Instructor Manual**  
student and instructor materials for the american academy of pediatrics aap neonatal resuscitation program nrp brought to you by channing bete company description this neonatal resuscitation program scenario set contains eleven 11 scenarios that are based on the principles from the textbook of neonatal Neonatal Resuscitation Instructor Manual:

3 of 3 review helpful Great reading By Bookworm This edition of the instructor manual is much clearer than the previous editions I particularly liked the tables and the sample templates and forms It was very easy to read and the self assessment was useful to refresh important learning points My only suggestion for improvement is that the

illustrations in the moulage section should have been in colour 1 of 1 review The new Instructor Manual for Neonatal Resuscitation has been completely revised for nbsp NRP trade hospital based instructors and regional trainers who wish to present high quality simulation based NRP trade nbsp courses nbsp The manual features information relevant to NRP Instructors of all experience levels including chapters about organizing supplies and equipment setting up for all NRP Provider and Instructor courses conducting simulation About the Author The American Academy of Pediatrics is an organization of 66 000 primary care pediatricians pediatric medical subspecialists and pediatric surgical specialists dedicated to the health safety and well being of infants children adolescents
