1 of 1 review helpful Not impressed By Sandra Richards Honestly I m glad this was free if I had paid money I would have been very disappointed The information within I feel was very plain and honestly a lot of it was common sense

stuff even being a first time mother I still knew a lot of what I was reading Not to mention this chapter book didn't seem kindle edition friendly because there was a lot of times it would say Babies Didn't Come with Instructions hellip Until Now Keep this easy to use book handy so you can get the latest medical advice whenever you need help It provides up to date medical information to guide you through your baby's first year It includes the latest information on newborn screening well baby checkups vaccination schedules and expanded information on nutrition including how to prevent food al About the Author Paula Kelly M D is a Minnesota pediatrician and the mother of two children She has been honored by her peers as one of the best pediatricians in Minneapolis St Paul
