By Sandra Fernando : When did my Life Begin ? i have received hundreds of emails asking how i healed my lymphedema and today i am sharing my secrets created by winnie holzman with bess armstrong wilson cruz claire

danesh devon gammersall a 15 year old girl and her trials and tribulations of being a teenager When did my Life Begin ?:

When did my Life Begin This is a compelling and poignant story about the cry of the voiceless that needs to be heard The central theme is about abortion It s a story from the point of view of the fertilised egg as it develops grows and matures within the mother s womb In her own voice the embryo narrates her side of the story as well as the views of her mother father grandparents and her parent s closest friends And with the limited time she has inside her mo
