By Karin E. Zenk : Neonatal Medications and Nutrition: A Comprehensive Guide (Zenk, Neonatal Medications and Nutrition) Neonatal Medications and Nutrition: A Comprehensive Guide (Zenk, Neonatal Medications and Nutrition):

10 of 10 review helpful Best neonatal med book out there By Lisa B This was one of my texts during NNP school and I continue to consult it often The layout and content make information easy to find and utilize The first chapter is a great review of neonatal pharmacology coursework to help prepare for board exams An extra bonus is are the CEUs available in the back of the book 30 CEUs for only 75 with taking a tes Univ of California Irvine Completely revised text provides new information on the most commonly used medications in the NICU Listed both alphabetically and therapeutically and includes nutritional products and immunizations as well as medications For NICU nurses Previous edition c2000 Softcover DNLM Drug Therapy Infant Newborn Handbooks
